Mohamed Yongawo	Ambassador Extraordinary and Plenipotentiary of Sierra Leone
Mun Ho	Minister-counselor of the Democratic People's Republic of Korea
Augusto Da Silva Cunha	Ambassador Extraordinary and Plenipotentiary of the Republic of Angola
Anton I. Zykov	Director General Techdivision LLC
Vladimir P. Stasevich	Managing partner Techdivision LLC
Andrey A. Kulpin	Executive Director of ANO "KOMIB"
Gadzhi M. Akhmedov	Director for International Relations, ANO "KOMIB"
Pavel V. Kuznetsov	Director for Strategic Alliances and Relations with Government Authorities, Garda Group of Companies

13.30 - 17.30 – **Round Table № 4** (15.30 – 16.00 – Coffee break)

Ensuring equality and independence of states in the global network of mass information distribution, countering the threat of information wars.

Moderators: Deputy Editor-in-Chief of the International Affairs magazine, member of the Union of Journalists of Russia Mikhail B. Kurakin and Assistant to the President of NAIIS, D.Hist.S., Professor of MGIMO Anatoly I. Smirnov

Questions for Discussion:

- cooperation of states on an equal basis in the use of ICTs and their products to disseminate information in the global information space that promotes the strengthening of international peace and mutual understanding, development and strengthening of traditional spiritual and moral values as a unifying principle for all of humanity;
- countering the use of ICTs and their products in information wars as a means to undermine (infringe) sovereignty, for extremist purposes, as well as for interference in the internal affairs of sovereign states;
- ensuring safe and stable functioning and development of the Internet based on equal participation of states in the management of this network and preventing foreign control over the national segments;
- countering the falsification of history, disinformation, incitement of xenophobia, the spread of the ideology of neo-Nazism, racial and national exclusivity, aggressive nationalism. Strengthening of the moral, legal and institutional foundations of modern international relations;

- improvement of international frameworks and standards for regulation and protection of the media and mass communications, ensuring equal and free access to them.
